Alpha Delta Pi

Alpha Gamma Chapter

**WE LIVE
FOR EACH
OTHER**

809 Richmond Ave, Columbia, MO 65201

Alpha Gamma had yet another great semester this past fall. Between welcoming new sisters, fundraising thousands of dollars, and getting out our camo gear for yet another Mallard Ball, this has been a semester to remember. Our girls continue to exemplify Alpha Delta Pi's values, both on campus and in the community.

We were so excited to host yet another successful bid day and participate in some of Mizzou's greatest Homecoming traditions. We welcomed father figures to join us for a football weekend and celebrated our December graduation seniors. All of this and more made for a memorable semester.

As we look to the future, we're preparing to welcome and initiate our spring recruitment members, continue to support RMH, host Black Diamond, Mother-Figure Weekend, and senior sendoff celebrations, and more. Keep reading for a full fall recap and a spring semester preview!

Say Hi to ADPi's Newly Elected Officers!

This fall, Alpha Gamma elected their newest executive board and other leadership roles. Our sisters have begun their terms and are excited to lead another amazing year for the chapter!

While the new officers are hard at work, we want to take a moment to thank the outgoing officer team, who spent countless hours planning, replying to our many texts, and serving as role models to our chapter and the community. We are so grateful for your commitment to Alpha Gamma!

Fall Bid Day

To start the year off strong, Alpha Gamma welcomed 117 excited new members to our sisterhood!

Member Class '25 ran home to a theme of "Where the Skies Are Blue," enjoying a bid day full of cute photos, coastal decorations, and new friends. The new members were welcomed with love and sisterhood, the recruiters enjoyed their hard work paying off, and the seniors celebrated the start of their last year by guiding the new members in the run home to ADPi.

While everyone helped make this bid day perfect as it was, we have to give a round of applause to our incredibly talented Vice President of Recruitment, Julia Klein, and our Bid Day Chairs for their commitment, innovation, and countless hours of hard work.

To our new members, welcome home!! We can't wait to see the light you bring to ADPi and the memories we'll create together. Here's to a lifelong sisterhood and your forever home at 809 💙💙

Philanthropy Week

This semester, Alpha Gamma's fall Late Night Dinner, Wafflepalooza, was a huge success!

It took place on October 14 from 9 p.m. to 1 a.m. and welcomed thousands of guests to enjoy chicken, waffles, and endless toppings, all while learning more about the Ronald McDonald House. Alpha Gamma girls dressed up in waffle costumes, collected pop tabs, played in cornhole contests, and even participated in Pie an ADPi, getting pied in the face in the name of philanthropy.

Not only did our girls host Wafflepalooza, but they also volunteered their time for RMH all semester long, packing sack lunches, cooking homemade dinners, and more. We can't wait for our spring philanthropy events!

We raised \$27,516.26 for RMH this semester

We are so thankful for the continued support from our alumnae and community. Your encouragement empowers us to make a real difference in the lives of families staying at the Ronald McDonald House.

A special shoutout to our outgoing Director of Philanthropy, Mia Melchert, for all the work she's done to make this semester's philanthropy events a success!

Homecoming

This year's Homecoming was one of the earliest ever, but that didn't stop Alpha Gamma!

With the overall Homecoming theme, "Call of the Columns," Alpha Gamma's individual theme was Jumanji. Between working on campus decorations, building floats, volunteering, walking in the parade, and attending other annual Homecoming events, our girls stayed booked and busy.

We were paired with Farmhouse and Phi Kappa Theta, ultimately placing 4th overall.

As a campus, Mizzou collected over 127,939 cans of donated food and 5,070 total units of blood donated, and Alpha Gamma is proud to have contributed to that.

Also, a HUGE congratulations to previous ADPi President and Panhellenic Association President, Hannah Banks, on being named Homecoming Queen! Former ADPi President, PHA President, and Homecoming Queen, Audrey Stowe, returned to Mizzou to crown her sister as her successor.

We had so much fun participating in this year's Homecoming and cannot wait for the next one!

Mallard Ball

Mallard Ball is an iconic ADPi event, and our girls love to celebrate it! This November, Alpha Gamma got out their camo gear, hunting vests, and of course, Bill the Duck (see right) to celebrate a timeless tradition.

It was a night to remember, filled with laughter, memories, dancing, and duck noises!

Whether they were freshmen wondering what duck hunting had to do with our sisterhood or seniors enjoying their last time trying to turn a camo t-shirt into a dress, everyone had a great time and is already looking forward to next year's.
